HOLIDAY HOMEWORK FOR GRADE – V

(A.Y. - 2020-2021)

Dear Learners,

Summer vacations are synonymous with fun, frolic, getting a plate in the morning, playing for long hours with friends, going on picnics, exploring new places and watching fun filled shows on television. But due to the pandemic we all are forced to keep indoors for our own safety.

However, there is a lot you can do to make your vacations more interesting, meaningful and constructive.

To help you keep yourselves creative and innovative, we have designed the summer assignments that are designed to your passions, likes and dislikes.

As Dr. Kalam Says "You cannot change your future, but you can change your habits and surely your habits will change your future". So stay at home, be safe and be sanitized.

are singularly the most powerful force available to humanity. We can choose to use this force constructively with words of encouragement, or destructively using words of despair. Words have energy and power with the ability to help, to heal, to hinder, to hurt, to harm, to humiliate and to humble."

So there is an activity for you in this summer season on words.

Pick up a dictionary. Look for the words with the first letter of your name.

Choose 5 words and write their meaning. Use your imagination and create a picturesque representation of words through illustration and stick it on a A-4 size drawing sheet.

So here is for you all to make your own show .You can make the video on any one of the topic which are given

below.

Be a magician and show how Science or Maths can be used for magic tricks.

Or

You can be a

Who interprets any of the mythological character in its own way. Even you can interpret this lock down situation in your own positive way.

Or

You can be a Explorer, Guide to many of the people who wants to explore new wonders of the earth.

Hope you all will enjoy your summer assignments and finds a new hiddenperson with in you.

Thank you
