

Good morning Parent,

English

Hope the children have learnt yesterday about how they feel when their parents are away from them? happy or sad ?

Explaining it further let's do a small activity. Put out all sort of magazines and newspaper and ask the children to tick out pictures of happy faces with green crayon and sad with red crayon.

Maths

Learning about the colours, let the learner sing along the story I Love my White shoes.

(Link is below attached)

Note: Do share the videos and photographs of doing the activities.
