

BRAINSTORMING SESSION

FUN TIME ACTIVITY-1

CLASSIFY LIVING THINGS INTO GROUPS

MATERIALS REQUIRED-

Old magazines/books

Scissors

Steps-

-Cut out all the pictures of animals you can find in the magazines/books.(About 20)

-Decide how you want to classify or sort these animals.eg- by the number of legs/where they live or what they eat etc. There are hundred of ways in which you can sort them.

-Make a collage of them on different pages and post it in your group and ask your friends to guess how you classified the animals.

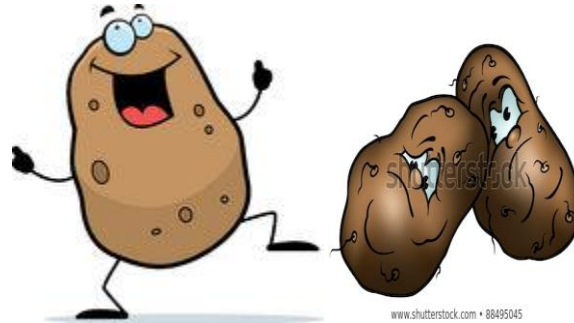

-IT WILL B A REAL FUN TO SEE WHAT EVERYONE ANSWERS,ISN'T IT.

-You can play this game with plants, insects or any other type of living organism.
