### **STABILITY CERTIFICATE**

This is to certify that I am registered Structural Designer with Surat Municipal Corporation having Registration no. TDO/ST.DR/36.

The School building known as "Gajera Global School" is situated at Block No. 182, F.P. No. 44, T.P.S. No. 10 (Pal) Surat. The building is Basement + Ground floor + Four floor + Part fifth floor only. All floors are intended for educational purpose only.

I have inspected the structure on 06-07-2024 and it does not exhibit any sign of distress. The structure seems to be safe for the intended use as Educational purpose. The steel structure roof fabricated above the terrace floor for supporting the solar panel is not part of the stability certificate. The terrace floor should not be utilized for any school activity. Change/Alteration of any kind i.e. changes of use, altering wall position or any alteration involving structure configuration shall not be done without our prior permission.

This Stability certificate is valid for three years of the present condition of structure. This stability certificate is issued on request by school management and there is no legal binding in future. The structure should be inspected by competent engineer at every three years and maintained as per the competent engineer's instruction & get revised certificate.

This is for your kind knowledge only.
